

## **DO I NEED PLANS FOR MY EXTENSION & LOFT CONVERSION?**

Yes. Every conversion needs to be carefully planned out by a professional and to comply with the latest building regulations.

## **WHAT AREAS DOES CAPITAL LOFTS LTD WORK IN?**

We have completed projects all over the south of England and cover all areas of West Sussex, Surrey & London.

## **CAN MY LOFT BE CONVERTED?**

Most loft conversions can be converted, a minimum of 2.2 meters is required. You can easily measure this yourself or give us a call for a free site survey.
